Stock investing involves risk. The value of your investments will fluctuate so that when sold they may be worth more or less than the original investment amount. Dividends can be increased, decreased, or totally eliminated at any point without notice. Diversification does not assure a profit and does not protect against loss in declining markets.

Todd-Veredus Asset Management LLC (TVAM) is a registered investment advisor. TVAM has prepared and presented this report in compliance with the Global Investment Performance Standards (GIPS®).

On May 1, 2009, through a series of transactions, certain principals of Todd Investment Advisors, Inc. (TIA) reached an agreement to purchase the firm from Fort Washington Investment Advisors, Inc. The assets and identified liabilities of TIA were then contributed to Veredus Asset Management LLC (VAM) in exchange for 45% equity and VAM changed its name to Todd-Veredus Asset Management LLC (TVAM). TVAM continues to offer the same products that each individual firm offered prior to the combination. The firm maintains a complete list and description of composites, which is available upon request.

Results are based on fully discretionary accounts under management, including those accounts no longer with the firm. Past performance is not indicative of future results.

The U.S. Dollar is the currency used to express performance. Returns are presented gross and net of management fees and include the reinvestment of all income. Net of fee performance was calculated using the highest applicable annual management fee of 0.70% applied monthly. Prior to October 2009, the highest management fee applied to the composite was 0.60%. Additional information regarding policies for calculating and reporting returns is available upon request.

The highest management fee schedule is as follows: 0.70% on all assets, with a \$5 million minimum annual account size. Actual investment advisory fees incurred by clients may vary.

The Intrinsic Value Opportunity Composite was created April 1, 2006. TVAM's compliance with the GIPS® standards has been verified for the period January 1, 2008 through December 31, 2010 by Ashland Partners & Company LLP and for the period July 1, 1989 through December 31, 2007 by a previous verifier. TIA's compliance with the GIPS® standards has been verified for the period January 1, 1993 through April 30, 2009 by Ashland Partners & Company LLP. A copy of the verification report is available upon request.
